## **Randhir Sahni appointed to Board of Association of Rice Alumni**

**HOUSTON, TX (July 1, 2009)** – Randhir Sahni, President of Llewelyn-Davies Sahni (LDS), a leading architecture and urban design firm in Houston, Texas, was recently selected to serve a three year term as a board member of the Association of Rice Alumni.

The Association of Rice Alumni aims to maintain a positive connection between Rice University and its former students. The Alumni board encompasses a diverse membership that accurately represents the entire alumni population. Board members are selected based on their ability to represent Rice University alumni and actively contribute to the success of the Association and enhancement of Rice University.

Sahni attended Rice University on a Fellowship and received his Master of Architecture in Urban Design in 1971. In addition to his new board position with the Association of Rice Alumni, Sahni serves on the boards of Blue Print Houston and the SPARK School Park Program, and is a Senior Fellow in the American Leadership Forum.

For more information on the Association of Rice Alumni, visit [http://alumni.rice.edu/about\\_alumassoc.html](http://alumni.rice.edu/about_alumassoc.html) or contact Chad Benedict at the Rice University Alumni Office at 713-348-4057.

### **About Llewelyn-Davies Sahni (LDS)**

Llewelyn-Davies Sahni, a firm based in Houston, TX, is dedicated to being the world's leading architects, planners and designers delivering innovative buildings, master plans and strategies. LDS provides a range of international design consultancy services including architecture, planning, urban design, interior design, and healthcare facility planning. With the belief that good design and planning creates significant value, LDS has met the needs and expectations of a range of clients from major corporations, developers, and healthcare institutions to education and research organizations, public/private partnerships and local, state and federal government entities. LDS is driven by a desire to provide inspiring, innovative and sustainable solutions to complex challenges.
